FOR IMMEDIATE RELEASE

Contract Abseiling Limited Achieves Prestigious ISO 9001:2015 Certification

[Hatfield, 24th December 2025] – Contract Abseiling Limited, a leading provider of innovative rope access solutions, is proud to announce that it has successfully passed its annual ISO 9001:2015 surveillance audit, conducted on 12th December 2025, and has been awarded renewed certification. This achievement reaffirms the company’s unwavering commitment to quality management, continuous improvement, and customer satisfaction.

Since its establishment in 2011, Contract Abseiling Limited has consistently delivered exceptional rope access services across the United Kingdom. The renewed ISO 9001:2015 certification underscores the company’s dedication to maintaining the highest standards of service and operational excellence year after year.

“Securing our ISO 9001:2015 recertification is a proud moment for our team,” said Kay Man, CEO & Managing Director of Contract Abseiling Limited. **“It demonstrates our ongoing commitment to quality and continuous improvement, strengthening our reputation and credibility in the marketplace. We look forward to building on this success and continuing to provide our clients with the best possible service.”**

The ISO 9001:2015 standard is an internationally recognised quality management system that sets out criteria for a systematic approach to managing processes and ensuring consistent quality. By adhering to these standards, Contract Abseiling Limited demonstrates its ability to meet customer requirements and enhance satisfaction through effective application of the system, including processes for continuous improvement and assurance of conformity to customer and applicable statutory and regulatory requirements.

Key benefits of ISO 9001:2015 certification for Contract Abseiling Limited include:

- Increased market access and competitive advantage.
- Enhanced reputation and credibility.
- Improved operational efficiency and reduced waste.
- Better risk management and decision-making processes.
- Strengthened customer satisfaction and loyalty.

Contract Abseiling Limited’s comprehensive range of services includes high-rise building maintenance and repair, façade cleaning, painting and coating application, window cleaning, structural repairs, and expert installation of signage and banners. The company is also fully accredited by Constructionline, SafeContractor, and Chas via SSIP Acclaim, reflecting its unwavering commitment to health and safety.

About Contract Abseiling Limited: Celebrating 14 successful years since its establishment in 2011, Contract Abseiling Limited stands as a pioneering force in delivering innovative solutions for accessing and maintaining challenging and hard-to-reach areas. With a dedicated team of highly skilled professionals, the company offers a comprehensive range of rope access services that cater to the diverse needs of clients throughout the United Kingdom. ISO 9001:2015 certified, Contract Abseiling Limited continues to set the standard for excellence in the industry.
